(4) The Group has considered the possible effects that may result from COVID-19 in preparation of these consolidated financial results including recoverability of its assets comprising Property, Plant and Equipment, Intangible Assets, Trade Receivables, inventory and other assets. In developing the assumptions relating to future uncertainties in the economic conditions due to COVID-19, the Group has considered internal and external information up to the date of approval of these consolidated financial results including economic forecasts and expects that the carrying amount of these assets are recoverable. The impact of the global health pandemic may be different from that estimated as at the date of approval of these consolidated financial results.
